

Six Special Stamps For Free Norwegians

New One Cent Four Freedoms Stamps Coming

**First Day Feb. 12
Homage To Lincoln
Freedmen's Champion**

Following quickly after the announcement of the new 2c United Nations Stamp and the statement in Linn's Weekly of January 7, that a 1c Four Freedoms stamp would soon be announced, the news was released by Postmaster General Walker for morning papers of January 5th.

Both collectors and dealers will appreciate this announcement coming fully five weeks before the stamp is to be issued, for with such advance notice ample time is allowed to make all necessary preparations for first day coverage of the new stamp.

Collectors will find announcements in this issue of dealers who are prepared to supply them with attractive envelopes or service their covers for them.

Postmaster General Walker announced the new stamp on Monday evening January 4th and our columns last week, carried a "STOP PRESS" notice on page five in addition to the front page story which also predicted this new stamp as quoted from the New York Times by Kent B. Stilwell.

Following is the announcement as released by the Information Service Bureau of the Postoffice Department.

Postmaster General Frank C. Walker last night announced that he has authorized the issuance of a one-cent FOUR FREEDOMS COMMEMORATIVE postage stamp which is to replace the present one-cent Defense Stamp. The new stamp will be placed on first-day sale on February 12th,

United Nations Week Meter Markings And Collectors' Pieces

Although a special cancellation mark has been refused for the First Day of the United Nations Stamp, the committee in charge of the celebration for the Motion Picture Industry have provided a special slug for their Metered mail and this will serve as an excellent addition to any collection of the postal markings associated with this new stamp.

This new meter slug is in the form of a shield, having more width than height and bears the inscription "One for All—All for One—Great Cause" in top line, then in two lines "UNITED NATIONS—WEEK". Across the bottom in one line "Thurs., Jan. Fourteenth thru Twentieth."

The War Activities Committee of the Motion Picture Industry is also using a very attractive letterhead printed in three colors and showing flags of the allied nations.

Marine Philatelist Is Missing At Wake

Victor Besancon, U. S. M. C. was among the missing at Wake Island, the navy has announced. A general collector, he was one of the most popular members of the San Diego, Calif. Stamp Club.

Besancon's mother who lives at 406 W. Ash street in San Diego, believes that he was captured by the Japanese and is now a prisoner. Before the war he was stationed at the North Island navy base, near San Diego.

Government In Exile Issues Six Different War Stamps For Fighting Sons And Daughters

Norway itself may be occupied and suppressed beneath the ruthless heel of the Nazi jackboot, but she still has an Empire that carries on the task of fighting the Germans; it is a Floating Empire, an Empire made up of ships that plough the seven seas for the cause of the United Nations.

With this Empire, and with a free and independent Government established in London, to say nothing of thousands of men and women serving in the Navy, Army and Air Force, Norwegians feel that they should have as many of the things they had in their Homeland as possible. Consequently it

Reading, Pa., Stamp Club Elects New Officers

The Admiral Byrd Stamp and Coin Club elected the new officers for 1943 and are as follows: President, Charles A. Seifert; Vice President, Harry R. Auge; Secretary, W. H. Slater, 836 N. 6th St., Reading, Pa., Trustees, Raymond Dengler, William Deysher and Frank Stanley.

The club boasts of 48 members in good standing and on an average 21 to 24 members are present at each meeting.

The Club is debating as to the advisability of putting on a Stamp Exhibition for 1943 or to hold off until the war is won.

The Club meets each Tuesday night in the Central YMCA. On the last meeting night in January there will be an auction held at which time a set of Zepps will be auctioned off. The lot to be auctioned will include old US Postage and Revenues, Covers, etc. All are invited to the meeting.

COLORFUL CANCEL

Marana, Ariz., has handstamped letters with a red-purple cancellation recently.

has been decided to start a Norwegian postal service and postage stamps which tell at a glance the part Norway is playing in this war of freedom.

In accordance with the terms of the International Postal Convention agreed upon in Buenos Aires in May 1939 the Norwegian Government has the right to use its own stamps to and from all Norwegian territory. Norway's present territory is her Floating Empire; and Article 48 of the Convention states that all Norwegian ships on the high seas are regarded as Norwegian territory.

The use of the stamp is, of course, restricted. They will be used principally among the merchant seamen who can affix them to the letters they post at sea for ultimate delivery in ports of the free world. Further, under certain circumstances—for instance in writing to seamen in the Merchant Navy—the personnel of military camps in the United Kingdom, and Canada may use them.

This tangible symbol of a Free Norway will be welcomed by all the thousands of Free Norwegians outside Norway. It gives them a closer link with the Homeland they have been forced to leave,

Reprint Of Boston Revenue Book Now Ready For Collectors

The Tatham Stamp & Coin Company who recently offered a reprint of the Chase book on the 3c 1851 Postage stamp now comes forth with what they offer as "The New Boston Revenue Book." This book is in effect a reprint of a portion of the original book best known as The Boston Revenue Book. The original work included along with the regularly issued stamps, all of the Private issues which were much greater in number of varieties than the regular issues. By omitting these issues which are of interest to a far lesser number of collectors, it is possible to make a reprint of the original work at a price that should be within the reach of every interested collector of these stamps. Preparation of copy for this reprinting has been done by Mr. R. W. Sargent. The stamps treated are the revenues of the issues of 1862 to 1899 inclusive, thus including those first issues of the Spanish American War. The book thus covers all of the 19th century issues of revenues, excepting of course the private issues.

This book has always been recognized as one of the best on revenue stamps. While it does not treat the stamps from the point of the microscopic study, thus running into the minor varieties that make stamps interesting, it does treat them from the standpoint of official Government

ABRAHAM WINICK

1620 East 2nd St., Brooklyn, New York
The search for philatelic oddities is not nearly so difficult as would appear at first glance. Many collectors have items of an unusual nature in their collections and don't even know it. In fact, knowledge in stamp collecting pays worthwhile dividends.

In July 1861 the current 3c stamp #44 was demonetized, that is it was made invalid for payment of postage. This seems like a simple statement of fact and does not appear to allow much room for argument. However, the student of philately is not ready to close the subject, at least not without a struggle. The first thought which pops up is—perhaps he can find usage after this date. Not a simple matter, but not as hopeless as would appear at first glance.

This stamp is very common both on and off cover. In my search for this oddity or illegal usage, I have been able to locate five examples, all off cover, but clearly cancelled and dated subsequent to demonetization. One of these 3c-1857 stamps in my collection is nicely tied on piece together with the new 3c-1861 and dated Sept. 22, 1861. This project furnishes a good excuse for looking over your 1857 issue. Perhaps you too have one of these resting serenely in some old dust covered album. They are surely worth many times the regular price of this common stamp. Besides, you will get a kick out of finding one. Even if you don't, it will be an excellent beginning to stamp collecting with "vision." Many a dealer must have similar copies reposing in his stock books, awaiting the arrival of a collector who knows a good thing when he sees it.

Private E. S. Amsler, Band #1, Camp Roberts, Calif. sends in an interesting item. He has used copy of the 3c Boulder Dam stamp, which, being very thin, was reinforced in the Government Printing Bureau by pasting a piece of plain paper on the back of the sheet before it was gummed and perforated. This procedure is very unusual, moreover the sheet is usually marked for destruction by the postal inspectors. However, they do have a way of getting out. This type of oddity when found in a larger block, or preferably the full sheet, is a very interesting and valuable piece. Private Amsler is a specialist in State Revenues, and I am sure he will welcome correspondence from interested collectors in this field.

First Day V-Mail Letter Reported By Linn's Reader

Carl L. McCluney of Fort Worth Texas, reports what is believed to be a First Day V-Mail letter. Mr. McCluney says, "I have seen a first V-Mail which was endorsed as First Day." It is dated November 1, 1942, cancelled November 15 by Army Postal Service at San Francisco. Bears censor's marking, "Passed by #14086" in conventional rectangular rubber stamp box. The letter was censored by Lt. Brundinger, 2nd Lt. 145 Inf. APO #37. Stamped on the original in block letters about 3/4th inches high are the words "FIRST ROLL V MAIL."

SIX SPECIAL STAMPS FOR FREE NORWEGIANS

Continued From Page 1

and it will spur them on to even greater efforts in preparing for the day when Norway will be liberated. And when that day comes these will be the stamps which will supersede those that spell Nazism in Norway today, and will help in sweeping away the memory of those years of oppression.

There are some 25,000 seamen sailing hundreds of merchant ships and tankers for the United Nations, carrying vital war cargoes. They man a fleet, which at the outbreak of war, was the fourth largest and most modern in the world. Then there are over 60 naval vessels operated by thousands more Norwegians; a powerful and growing Air Force, an Army which is waiting for action, and the women's military organizations.

To these people the new stamps have the same significance as the Flag, while the motif of the stamps has been drawn, not only from the War Effort of the Free Norwegians, but also from the struggle which is being waged on the Home Front. The stamps themselves have a historical and propaganda value, while the love of the Monarch who has led the struggle against the Germans so well, King Haakon VII, is symbolized by the insertion on all the new stamps of the people's royal sign "H-7"—the patriotic mark which has swept through Norway with renewed force since the German invasion.

The six subjects are:

10 Öre—the navy; the well-known Norwegian destroyer "Sleipner"—some call it the "phantom ship"—which after playing a valiant part in the battle of Norway escaped to Britain. Colour: blue-green

20 Öre—the Home Front; from the V-campaign in Norway. Across a Norwegian highway are painted the words: "Vi Vil Vinne" (We Will Win). Colour: red.

30 Öre—the Merchant Navy; Norwegian ship in convoy. Colour: ultramarine.

40 Öre—the Army; Norwegian soldiers on winter manoeuvres. Colour: green.

60 Öre—King Haakon VII of Norway. Colour: blue.

The new postal service is organized by the Norwegian Ministry of Commerce, and the stamps will be on sale in London as from January 1st, 1943.

The distribution of these new Norwegian stamps for stamp collectors and dealers has been placed in the hands of Messrs Harmer, Rooke & Co., Ltd. from their offices in both London, England and in New York City at 551 Fifth Avenue. Sales are made only in lots of 100 or more sets at a price of 2 shillings per set or 10 British pounds per 100 sets as quoted in a letter from the London office. American collectors or dealers wanting these stamps may obtain them by placing their orders with the New York Office, on terms as stated above.

The illustrations shown are actual size, from die proofs and the printing is the work of Messrs Thos. de la Rue & Co., Ltd. of London.

One estimate places the amount of postage spent on mailing Christmas cards last year at \$60,000,000.

DID YOU KNOW . . .

that stamps bring very high prices on the current market?

We are willing and able to follow this trend and are prepared to pay high cash prices for stamps whether they are in the form of a highly specialized collection or just "dumped" into a shoe box. At the moment we are also interested in cheap and medium priced used U.S. postage and revenues in quantities of 100 or more.

Drop us a line and let us know what you have to offer, won't you?

Our December Star Reporter Award To Al Rezak, Chicago

Honors for the most clippings and news notes from any of our Star Reporters for the month of December goes to Al Rezak of Chicago. A handsome Stock Book is being mailed him for his help in this work.

For the time being we make no further offer of awards for clippings and news items as our sources of such matter have developed to the point where we have a rather good coverage and so much of the material that has come has been duplication of available matter that we do not feel justified in asking for a continuance of these news items from our readers.

CLEVELAND NEWS

There will be an excellent opportunity for all stamp collectors to pick up stamps and items they need at the annual Bourse and Free exhibition of Cleveland Stamp Club at the Hollenden Hotel on Saturday and Sunday, January 30th and 31st.

Members are making arrangements with General Chairman Ray V. Klippstein to show their outstanding material. Dr. N. P. McGay is completing the plans to show the Newfoundland Stamps of S. P. A. President J. Edw. Vining of Webster Groves, Mo., and the Cape of Good Hope Triangle Stamps of Henry A. Meyer of Evansville, Ind., in the invitational section of the Exhibition. Bourse Chairman E. N. Ong, 700 Hanna Bldg., Cleveland, Ohio, assures the public of a fine bourse with dealers from Ohio, Pennsylvania, Michigan, Illinois and other states. Mrs. P. R. Boehringer has charge of registration of guests—everyone is welcome. Mrs. Irene Kempf and Arthur W. Lee are other chairmen.

There will not be a jamboree or banquet this year.

Members will again compete for the Cleveland Stamp Club Trophy, which was won last year by Charles F. Orgel, Jr.

BLACK ALBUM PAGES

Because of the many inquiries from former patrons, I have decided to produce a small line of strictly plain printed items for collectors and dealers. All of these items will be made in large lots so that dealers who wish to buy them may buy in bulk quantities at lower prices than they could buy in small lots from their local printers. No packaged items will be wholesaled to dealers. Small packs will be sold retail to collectors.

The first items to be prepared will be several different types and styles of 8 1/2 x 11 inch size pages punched for three ring binders. These will be offered as the "THREE RING LINE" of album pages. Eventually I expect to have available about a dozen different styles of pages.

Right now I offer the following:

BLACK ALBUM PAGES Made of heavy weight black antique finish cover stock, 8 1/2 x 11 inch size, punched with three holes to fit the standard style three ring binders. Pages are printed with quadrille groundwork for mounting stamps, etc. 50¢
Packs of 35 pages (Postage extra, mailing wt. 2 lbs.)

SILVER STREAK COVER PAGES Made of heavy weight black antique finish cover stock, 8 1/2 x 11 inch size, punched with three holes to fit the standard style three ring binders. Pages are round cornered, printed in silver ink on both sides and with division mark in center, ornamental panel strips across top and bottom for mounting two covers on each side of page. When glassine interleafs are used, they make an excellent and beautiful page for covers. 50¢
Pack of 30 pages (Postage extra, mailing wt. 1 lb.)

HEAVY WHITE ALBUM PAGES Made of heavy white antique cover stock, printed with gray quadrille groundwork and punched with three holes to fit standard three ring binders. Pack of 35 pages. 50¢
(Postage extra, mailing wt. 2 lbs.)

ECONOMY QUADRILLE PAGE This page is of 20 lb. substance white sulphite bond paper, printed with 25 spaces for stamps, with panel for Cat. No. at top and panel with indicia for Cat. Value and Net Price at bottom. Spaces for stamps are large and this is a fine counter sales page for dealer or for collector's use. Size 8 1/2 x 11 inch, punched to fit the standard type of three ring binder. Pack of 100 pages. 60¢
(Postage extra, mailing wt. 2 lbs.)

COUNTER SALES PAGE This page is of 20 lb. substance white sulphite bond paper, printed with 25 spaces for stamps, with panel for Cat. No. at top and panel with indicia for Cat. A PHILATELIC VICTORY!

Collector Masses Fleet, Air Force
By W. B. FRANCE

What we need for victory, experts tell us, is a strong navy consisting of every kind of fighting ship, adequately supported by an air force of various types of fighting planes. So Robert F. G. Kelley, philatelist, has assembled such a force—on postage stamps. It is a veteran force that has seen action, and is going to see a lot more.

Kelley, retired Baltimore business man, residing at the Park hotel, for several years has been going to city and county schools to show some of his stamps and give talks to stamp-minded pupils. Though gas rationing will cut down his field of operations, he continues to go to the reachable schools when requested. And he always has a batch of stamps to give to boys and girls who want to start or augment their collections.

He specializes in topical groups, like his collections of ship and airplane stamps. He has a stamp zoo, and groups such as the one depicting American history. These topical collections, he finds, add interest to regular school studies such as history, geography, foreign countries and nature subjects. And now he has gone to war in a big way.

If we need every kind of fighting ship, Kelley has 'em. In fact, he has some that our navy hasn't. Has our navy got an ancient Egyptian galley like Kelley's No. 3? It hasn't. Is it still fighting the Battle of Manila Bay, like No. 7? It isn't. Has it No. 1, the Santa Maria—that important ship in which Columbus discovered us? It hasn't.

Navy Has Advantages

Kelley's navy has them, and many others. It has modern fighting ships from almost every navy in the world—except the Swiss. For wide variety of type and time. It can't be beat. And it has other advantages: its initial cost didn't run into billions, and its upkeep is practically nil.

Kelley's air force doesn't run back into B. C., but it goes back about as far as an air force can. For instance, there's No. 5, the Kitty Hawk in which the Wright brothers flew December 17, 1903. And there's No. 4, the stratosphere balloon in which Auguste Piccard, the Belgian physicist, hit the high spots in the early '30's.

Force Covers World

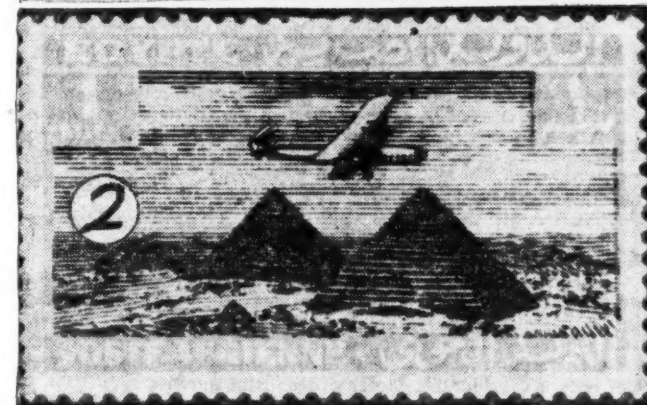

The force is world-wide, too. As examples, there's the Egyptian plane, No. 2, flying over the pyramids; the Chinese plane, No. 6, over the Great Wall of China; No. 8, flying over Mexico City; No. 9 in the Dominican Republic, and No. 10 in Chile.

Kelley's collection also has fighting ships of Germany, Italy and Japan—and therein he has an advantage over us and our allies. For Kelley can take the combined axis philatelic navies, with their protecting air forces, and sink them all in a bucket of water.

Just like that.

Robert F. G. Kelley doesn't explore native settlements, he doesn't translate the Bible into foreign tongues, and he isn't in the habit of building medical centers in the jungles, but he's a missionary just the same. His missionary work consists of bringing to others the blessings of philately. For many years, as the accompanying article relates, he has been giving talks on stamp collecting in Southern California schools. At the end of each talk, he distributes stamps to those who would like to start collections. His talks have been given much newspaper publicity recently, publicity which has helped to further increase the ranks of philatelists. This story and the photos illustrating it appeared in the December 13, 1942 issue of the San Diego Union, and is reprinted by the permission of that paper.

French War Cover Of 1939 Is Received

Your editor has recently been presented with a cover used in France in 1939, before the collapse of this ill fated country. The cover is one of those from a man

in the service to a friend at home and has in the upper right corner a large "FM" inked in, in black and the postmark immediately below this marking. The postmark is a circular one with wording "POSTE AUX ARMEES" around the inside of the circle and with date in two lines "3-11" and "39". This is one of the same type of letters that our service men are permitted to send through the mail, free of cost and is a French cover before the collapse

of that country, in June 1940.

The cover described above was one used by a French Aviator on the Maginot Line to carry a letter to his brother-in-law, in a suburb of Paris. This aviator escaped from France with his plane to North Africa with about 70 other airmen at the time of the collapse and is now with the

French forces in Africa. The party who gave me this cover asks since the addressee whose name is on the cover is in enemy hands that no names be mentioned, in France.

OFF TO A GOOD START

The year 1941 brought a single new commemorative stamp, 1942 brought us three new stamps and now the first two months of 1943 already have scheduled two new stamps, one each month for January and February.

This is a good start. The announcement of the first one was not unexpected, altho the date of issue was set so closely after the announcement that collectors and dealers had little time for preparation for covers etc. The announcement of the second stamp for February came with plenty of time intervening and collectors and dealers will appreciate this situation.

The long promised new series of Stamped Envelopes may also be looked for this year, so that the number of new issues will swell to a goodly number before the year is over. There will doubtless be other war issues, at least we hope so and believe that a systematic issuance of war propaganda stamps would meet with the approval of collectors and the public.

DELUDED WITH ORDERS

Those are the words used in a telegram from the Tatham Stamp & Coin Company with regard to their large advertisements in our recent issues. Have you noted how pleasant it has been to read these big advertisements, type that is large enough and clear enough that it can be read easily and followed entirely through the page without tiring your eyes. Dealers should note that collectors will read this kind of copy and you have got to have them read the copy before you can ever get an order out of them.

With low production costs such as go with a newsprint tabloid paper like Linn's Weekly, you can afford larger space and get a deluge of orders. Do not think of space in inches, think of it in dollars and when you think of spending ten or twenty dollars for from four to eight inches of space in a slick paper magazine, just remember that you can have ten to twenty or more inches of space in Linn's Weekly for the same money, a whole page for \$40.00. With more than 11,000 copies printed and mailed weekly, you can not fail to get results if your offers are right.

SUBSCRIPTIONS POURING IN

Exactly sixty-five paid subscriptions were entered in our files on Thursday, January 7 and those came only from the mail picked up at the Post Office in the first morning pickup and again at noon. Had we picked up the mail in the late afternoon, this number would be considerably more. Surely that is an excellent showing and we can note a considerable increase over past months.

During January and February, we will have around 1000 or more subscription expirations. These are mostly those that were taken for four years in the winter of 1938-39. We feel confident that a heavy percentage of these will renew again and we suggest that your renewal be for four years at \$1.00, thus saving time, bother and trouble for both yourself and for us. A postal card advising you of your subscription expiration will be sent you if your name is among this lot and we urge that if you receive such a card that you believe what we say on the card, that your paper will quit coming to you unless you renew. We have had a great many people send in renewals only after we stopped sending the paper when if they had renewed promptly on receipt of the card notice it would have saved an immense amount of work and trouble for our office. Please make your renewal immediately after you receive a card if you intend to renew.

Merchant Marine Gets Army-Navy Mail Service

Effective January 1, 1943, under an agreement by the Post Office Department, the War Shipping Administration, War Department, and Navy Department, mail service will be extended to members of the crews of the United States merchant vessels and vessels of the Army Transport Service. The service will be confined to ordinary mail of all classes subject to existing regulations governing the ordinary mail for members of armed forces stationed outside the continental United States. No insured, C. O. D., or registered mail and no V-mail will be accepted, nor will money-order service be included in this arrangement. The

service will be conducted on a domestic basis and domestic rates of postage will apply, the restrictions of Order Number 17471 dated April 20, 1942, as to size and the 11-pound limit of weight for surface mail, and of Order No. 18605 dated September 4, 1942, as to the 2-ounce limit of weight for air-mail letters being applicable. The rate of 6 cents for each half ounce will apply to air mail.

Detailed instructions for addressing mail to men in this branch of the service can be had by consulting your postmaster.

Collectors can hereafter be on the watch for covers handled under this new service which will have identifying information on the face of the cover in the address or otherwise.

This is not a "FREE" mail service as given enlisted personnel.

FIRST DAY FEB. 12 HOMAGE TO LINCOLN

Continued From Page 1

Abraham Lincoln's birthday, at the Washington, D. C., post office and Philatelic Agency of the Post Office Department.

"It was deemed particularly fitting," Mr. Walker said, "that a stamp fostering the great principles of freedom should appear on the day when the nation annually pays tribute to the Great Emancipator, Abraham Lincoln. I hope that the new stamp will be helpful in impressing on the public the necessity for spreading the Four Freedoms to more and more of the world, so that the lot of the common man may be improved and a soundly based, enduring peace may be established after the present war."

The central subject for this FOUR FREEDOMS COMMEMORATIVE STAMP, enclosed in an oval-shaped panel, is a repro-

Freedom For All Mankind.

duction in bas-relief of Liberty holding the lighted Torch of Freedom and Enlightenment. Across the top of the stamp is the inscription reading, "U. S. Postage," shown in white architectural Roman on a shaded background. Underneath this inscription, at the left, is the denomination designation "1-Cent" and in a corresponding position at the right "1-Cent."

Below the central design is a rectangular plaque with white background, in which appears the wording "Freedom of Speech and Religion, From Want and Fear," in solid Gothic lettering arranged in five lines. In the space at the right and left of the central oval and plaque are shown conventionalized oak leaves, outlined in white.

The new stamp will be printed in green, of the regular size, 0.75 by 0.87 inch, and arranged vertically.

It will be on sale throughout the country on February 13th or as soon thereafter as distribution will permit.

RACINE CLUB ACTIVE

The Belle City Stamp Club, Racine, Wisconsin has elected the following officers for 1943. President Harold Gressing; vice-president Edmund Klimpke; secretary, Miss Elsie Fiebrich; corresponding secretary, Alvin H. Anderson; librarian Orvin P. Huppert; philatelic agent W. L. Clunie. The club has been honored by having two of its members Alvin H. Anderson and W. L. Clunie named as officers of the Wisconsin Federation of Stamp Clubs.

TATHAM STAMP & COIN CO.

There is the whole story in a brief telegram. Deluged with orders. Do you want to be deluged with orders. It can not be done with inch advertisements. Use a large liberal sized space and make your offers and tell your story in plain readable type. Do not buy your space by the inch, buy it by the dollars worth and you then realize what big space can be had for a few dollars in Linn's. Space that would cost you many times as much in the slick paper publications. Linn's is usually first with the News and that is why everybody reads it. You too can be deluged with orders if you use liberal space for your offers.

Delay In Mail Service All Caused By Censor; Transportation Prompt

Two letters from South America give ample evidence that delay in mail service is the result of either intentional holding up of mail by the Office of Censorship or because of congestion at that point.

An Airmail letter mailed in Colombia on Nov. 16, arrived at Miami, Florida on Nov. 20th. This letter was held here at Censor office and reached New York, Jan. 4th, arriving in Sidney, Jan. 6th.

A letter from Chile, by ordinary mail was posted there on October 15th, 1942. This letter came up the west coast and reached San Pedro, Calif. on Nov. 27. Here it was held by censor until January and then for some reason sent to New York where it arrived Jan. 7th.

Both of the above letters contained remittances of sums less than \$1.00 in mint U. S. Stamps in payment for classified advertisements to be printed in Linn's Weekly. Is the delay between dates of arrival at Censorship office and dates of delivery justified.

SUCCESS OF SERVICEKIT PROMPT FURTHER ISSUANCE FOR FOUR FREEDOM STAMP

The reception accorded the initial offering of the new first day cover collector kit has prompted Frederick B. Fitts Co. to make up a new one for the new Four Freedom stamp on February 12th.

Mr. Pitts writes us: "Collectors kept asking us if we could supply cardboard others for envelopes, or if we could furnish a mailing envelope big enough to hold the covers going to the first day city. So we decided to put everything a cover collector needs (except the payment for the stamps) into one kit and keep the price down to our own costs. As you know we made the initial offering of this kit about three weeks ago in your magazine and the response was very gratifying. Hence we intend to make this kit a permanent feature of our complete first day cover service."

For the benefit of our readers who have not seen or heard about this before, this kit contains ten of the Fitts' Company's attractive "cachet-Craft" first day envelopes for the new Four Freedoms stamp; ten tagboard inserts or fillers to keep the covers from being torn or wrinkled; a heavy Kraft mailing envelope already addressed to the Postmaster at Washington, D. C. to mail the addressed covers in for servicing; a letter of instructions to the postmaster, and then for those who want to make coin remittances (although the Postoffice urges the use of money orders, accepting no responsibility for cash remittances) a Dennison coin mailing card.

These kits are offered complete as above at only 5c more than the regular price for the envelopes alone. They are offered in this issue in the advertisement of the Frederick B. Fitts Co.

NOTE PLEASES CENSOR

A member of the Fighting French forces in England is reported to have received from a friend in unoccupied France a letter denouncing Laval. The note ended with these words: "I am afraid this letter will never pass the censor." But the censor added a comment of his own. "I am of exactly the same opinion."

The Red Cross Stamp

The 50th birthday of our national organization, The American Red Cross, was honored on May 21, 1931, by the issue of this striking bicolored stamp, but strangely the face of Clara Barton, its founder, does not appear on the stamp, although two designs were prepared that carried it. Instead, and for the first time, a living person was pictured on one of our stamps, the design being taken from a Red Cross poster, "The Greatest Mother in the World," for which a model had posed.

The 2c—Red Cross Nurse—was issued on May 21, 1931, in black and red, flat plate perf 11, no wmk. There is a scarce double transfer and some other unimportant minor varieties. The frame appears in gray black or black and the cross in carmine rose, carmine lake and lake.

99,074,600 of the stamps were

issued from frame plates 20434 to 41, 20450 to 57 20466 to 69, 20514 to 16, and 20525. Vignette plates 20445 to 49, 20489 to 20503 were used.

Besides the plate number and position blocks there are complete

Dr. Warren L. Babcock

One of the best known philatelists in this country passed away on December 27th. Dr. Warren L. Babcock had been ill for nearly two years, but carried on his work as well as his philately under conditions that others would have not been able to survive. We in Detroit, especially those of us of the Detroit Philatelic Society have marveled at his stamina, knowing all this time the handicap that he was living under, but hoping that the Doctor would be spared to his family and us for a long time.

Dr. Babcock was at one time No. 837 of the A. P. S. This was in 1889 when he was living in Eden, New York, his birthplace. Later he joined again—and at his death was Life Member 172—No. 1736. He was a charter member of the Detroit Philatelic Society and at times was one of the moving spirits of the group. For the past twenty-three years this society looked forward to their going down for a pre-season meeting at his summer home on Hickory Island in lower Detroit River, and in that length of time that event became tradition. The last one, held there on September 19, 1942, was for quite a while thought to be doubtful, but the Doctor finally passed the word that he wanted to hold it nevertheless, and it was as usual we were entertained in his customary manner. His health was such that he and Mrs. Babcock went to St. Petersburg, Florida, on the 10th of December, and his son, Lyndon, reported to the Society that he had arrived safely. It was with a shock to all his friends that the word of his death was received.

The funeral December 30 was one of the largest held at the Hamilton County chapel. Headed by an honor guard of nurses, of Grace Hospital, of which Doctor Babcock was former Superintendent and of late, the Treasurer, the flag draped casket was followed by a group of doctors from Detroit, and the Detroit Philatelic Society as honorary pallbearers.

Philately has lost a great man, and we collectors, a great friend. More need not be said—we all will miss him.

FLASH: Extension of AM-50 The Civil Aeronautics Board, on December 20th, authorized a change in AM-50, so as to permit an extension of the route beyond the present terminal point San Antonio, Tex. to Laredo, Texas, making it now a Houston-San Antonio-Laredo route. However, the amended certificate will not become effective until a later date, possibly not for the duration of the War, so there is no information now as to when the first flight over this new San Antonio-Laredo extension will take place (it probably won't be soon). There are possibilities that covers carried on this first flight may not be listed since there has been a prior service between San Antonio and Laredo from October 1, 1928 to March 9, 1929. Further details will be given in a later column.

Nitro, West Virginia, was recently approved as a direct pick-up point on AM-49-A. This stop had been formerly bracketed with Charleston and received service through that airport but now receives direct service from All-American Aviation's pick-up planes.

Airmail service on the Montreal-Boston sector of AM-27 has been temporarily suspended.

There were 83 pieces of collectors mail carried on the first flight of AM-58 from Cincinnati, Ohio to St. Louis Mo., Nov. 1, 1942. 56 pieces of mail were cancelled at the St. Louis main office and 125 pieces at the St. Louis Airmail Field Office for the first eastbound flight to Cincinnati, Nov. 2, 1942.

POLAND—A recent series has appeared in suit-case length, printed on split bamboo. It is fine for fish.

BARBADOS—The design of the current set is to be changed. The chariot with paddle-wheels is to be fitted with twin screws, and will be turbine operated, instead of with a two horse-power drive.

HEJAZ—The country that put the jazz in postage stamps will produce future issues on 12 inch gramophone records. The rug design is to be discarded for one showing a waxed floor.

AUSTRALIA—An explanation has just been made regarding the 6d 1915. This is called the "Kookaburro" stamp, "burro" being the classic word for "donkey." The "kookoo" part of it means a giggler. Hence in combination we have the name of the bird

pictured, that is, "laughing jack-ass."

ALBANIA—Having run out of comets, the next surcharged issue will depict Saturn and his rings, Jupiter and his moons, and Mars and his irrigating system.

JUGO-SLAVIA—Several inquiries have been made recently regarding the meaning of S. H. S. From authentic sources we learn that this inscription means "stamp hinges stick." Another solution is "Seven Hundred Surcharges."

FIUME—The Romulus-Remus-Wolf issue is to be withdrawn, and hereafter will be used as milk tickets only.

—Mekeel's Weekly Stamp News, December 27, 1919.

DISLIKED SURCHARGES

Back in the 1890's some collectors campaigned against the collecting of surcharged stamps, comparing them with altered checks.

WE WILL PREPARE

Pages for Stamps of 1942

for collectors who have the

Linprint Unit System Album

BEFORE YOU ORDER—Read this offer carefully and understand just what we offer you and thus avoid unnecessary correspondence as we have no time for that, being rushed to keep abreast of what we must do.

- (1) These pages will match with the previously issued Linprint Unit System Album pages and will be offered only in the 8 1/2 x 11 inch size for the three ring binder.
- (2) In 1941 there was but one stamp, the 3c Vermont. During 1942, there have been three new stamps to include in these pages, the Kentucky, the Win the War and the China issue. Therefore, we will make a page which will contain both the Vermont stamp of 1941 and the three stamps of 1942. This will make a nicely balanced page for both the single copies and for the blocks.
- (3) PRICE—If you could walk into our office and carry away the two pages which we will offer you could buy them for 5c each, but we must provide heavy card for protection in mailing, either a strong envelope or wrapping paper for the parcel in mailing and do the addressing and handling necessary to fill these orders. For that reason we must make a charge of 20c for the two pages, postage and mailing cost extra and this will be either 4 1/2 or 6c, let us say 5c, thus making the prepaid cost of the two pages 25c.
- (4) While buying these pages we would like to suggest to all users of these album pages that they purchase a few additional blank pages for use in adding new varieties, covers, special pieces, etc.

We therefore offer three different pages which we will continue to stock for future orders. You can get a page exactly like the Unit Pages with printed heading for Commemoratives or plain Postage Stamps or with a blank heading. Here is the list from which you can choose:

- UNIT NO. "B." Page with blank heading, no wording in top panel.
- UNIT NO. "C." Page with top heading printed "UNITED STATES COMMEMORATIVE POSTAGE STAMPS."
- UNIT NO. "P." Page with top heading printed "UNITED STATES POSTAGE STAMPS."

These pages are offered in packs of three sizes, each pack contains one kind of page only, so we cannot assort them. Prices are as follows:

10 pages 20c — 25 pages 35c — 40 pages 50c

—ABOVE POSTPAID AT PRICES QUOTED—

FOR 50c We will send you the two new pages for singles and blocks as offered above and 25 extra blank pages as offered—Postpaid.

DELIVERY DATE—Because we do not know if any more new stamps may yet pop up this year, we will not print these new pages until after January 1st. We suggest that you order at once—Orders will be filled beginning about the middle of January, for all orders then on hand, other orders coming of that time will await their turn.

Collectors who have these Unit System Pages have made numerous inquiries as to whether the pages would be continued. We have tried to induce a dealer to take over the pages but have been unable to get anyone to do so. It is for this reason that we offer to supply those who have the albums, new pages for 1942 stamps. We shall not reprint or reissue any of the old Units.

20th CENTURY U. S. POSTAGE FROM ONE OF THE BEST STOCKS!

PRICES AND CONDITION

Prices are very reasonable and are for good average, undamaged copies, above rather than below the average usually offered. We have placed in parenthesis after the heading of each issue a percentage figure to be added to prices in that issue where very fine copies are desired, although most collectors are pleased with our regular quality. Minimum premium on used stamps is 25%, plate number blocks 35%. All prices are subject to change without notice. Mailing Charge: 3¢ extra on orders under \$5.00; Insurance is 5¢ extra on orders under \$5.00; above this amount we will insure at our expense. We are not responsible for lost orders when not insured.

U. S. AT ONE-HALF PRICE!

We always have on hand U. S. stamps which do not come up to our standards of condition. These stamps (Grade C) may be slightly thin, trifle heavily cancelled, slightly torn, etc. If you collect stamps and not condition we will be pleased to send this grade of stamps at one-half of the prices listed, used or unused. (No blocks or unused after 1921.)

SATISFACTION GUARANTEED!

Any stamp purchased and if not perfectly satisfactory may be returned within 3 days after receipt for refund or exchange. U. S. approvals included with each order unless otherwise advised.
